A copy of the two PTO-1449 sheets submitted on September 22, 1997 is enclosed herewith. (The second sheet is corrected to show that the '857 patent is a Canadian patent).

It is counsel's understanding that the references submitted on September 22, 1997, were received and have been considered by the Examiner. However, counsel's records do not include any express indication that the references have been considered. Accordingly,
